

**SECTION VI. MISCELLANEOUS PROVISIONS.** The fine collected from any violators ~~shall~~ be paid to the Municipal Treasurer, likewise said personnel or her/his duly authorized representative ~~shall~~ issue the corresponding official receipt and the funds shall be accounted as penalty of this Ordinance.

**SECTION VII. EFFECTIVITY.** This Ordinance shall take effect 60 days after approval of ~~the~~ Sangguniang Panlalawigan and posting of copies at conspicuous places and publication of official gazette.

\*\*\*\*\* Firstly, Hon. Estrella S. Zapatos moved for its approval, however, Hon. Felizardo I. Gayapa Sr. expressed his opposition particularly on Section IV which is the penalty clause.

Hon. Gayapa was not in favor on the statement in Section IV, shown above, particularly the word "outside" exemplifying that any person smoking outside the vicinity of the smoking area even walking along the road within barangay poblacion shall be penalized. Therefore he introduced amendment to be stated:

"Any violation of this ordinance shall be penalized based on the following offense"

The same time, Hon. Rudy S. Dominise on his opinion revealed that the main topic of the ordinance was designating a smoking area, thus it is appropriate that outside of the vicinity of the smoking area is a violation of the ordinance, however, the area where the ordinance shall be enforced is specific within the municipal hall complex and public market premises only.

On the other hand, Hon. Estrella S. Zapatos made mentioned that Hon. Felizardo Gayapa Sr. was against on this ordinance and she said what the latter wants is to designate the non-smoking area not the smoking area, thereby any person are free to smoke outside of the identified non-smoking area.

Instantly, Hon. Oliver A. Romero moved that said measure be made pending for further study superseding the main motion to approved and the amendments introduced considering that some members were not reconciled on their ideas, no objection thus the motion was carried.
